

Secrets Only Pilot's Know About Airports

"Secrets Only Pilot's Know About Airports" -- Do you know how to visually identify runway length, width and what approaches are available right from your cockpit window...? This briefing offers pilot's of any skill level unique perspectives about the world of airport facilities such as NAVAIDs, pavement markings as well as airfield signing, lighting and communication and much, much more. Learn secrets that few experienced pilots even know. Reduce your probability of making a mistake while becoming a safer and more informed pilot! Register Today!

Directions: Take Route #1 to exit 76. Turn East onto Farrell St. Proceed ½ mile and turn left onto Rod Sullivan Rd. When you go over the bridge over the RR tracks make an immediate right and follow signs to the Wings of Carolina Flying Club.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
